- Doubt clearing classes were taken by the respective subject faculties.
- Other personal issues were discussed with them & some suggestions were also given.

20.09.22

Proctor meeting was held on dt. 30.09.22 in mechanical CAD/CAM lab & 13 nos. of students present during the meeting. A brief discussion was made with the students on the following points:

- Coverage of Syllabus
- Class attendance.
- Lecture Notes.
- Personal issues if any.

The following suggestion & appreciations are made on the above points of discussion.

- Students are instructed to attend the classes regularly.
- Lecture notes are shared among the students in every class by the respective subject teacher.
- All the practical related problem resolved by their lab facilities.

30.09.22

Proctor meeting was held on Dt. 14.10.22 in mechanical CAD/CAM & 14 nos. of students were present during the meeting. A brief discussion was made with students on the following points;

- Theory & Practical classes.
- Class Attendance
- Academic difficulties.
- Personal issues if any.

The following steps are taken after the discussion made on the above points;

- Daily progress register maintain by the faculty
- Proper monitoring of theory classes by HOD.
- Students are instructed to attend the classes on regular basis.

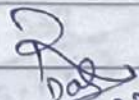

14.10.22

Proctor meeting was held on Dt. 27.10.22 in mechanical CAD/CAM lab & 10 nos of students were present during the meeting. A brief discussion was made with students on the following points;

- Coverage of syllabus of both theory & practical classes.
- Class attendance.
- Doubt clearing classes of students.
- Academic difficulties.

The following suggestion & appreciation were made on the above points of discussions.

- Students are instructed to attend the class and also informed to their parent regarding their class attendance.
- The query regarding the internal like questions patterns & dates are discussed with students.
- Advised them to developing interpersonal skill.

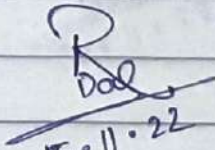

Date
27.10.22

Proctor meeting was held on dt. 15.11.22 in mechanical CAD/CAM lab & 14 nos of students were present during the meeting. A brief discussion was made with students on the following points;

- Theory & Practical classes.
- Coverage of Syllabus.
- Class attendance of each student.

The following steps are taken after the discussion made on the above points & some suggestion & appreciations are also taken into Considerations.

- Proper monitoring of theory classes by HOD.
- Daily progress register maintained by faculty.
- Personal problems of students are discussed individually & try to solve their issues in personal level & also informed this to HOD for their betterment.

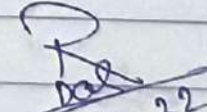

15.11.22

Proctor meeting was held on Dt. 30.11.22 in mechanical CAD/CAM lab & 14 nos. of students were present in the meeting. A brief discussion was made with students of following points.

- Class attendance
- Syllabus Coverage.
- Internal Examination.

The following suggestions & appreciations are made on the above points.

- Classes are monitored by HOD.
- The query regarding the internal like question pattern are discussed with students.
- All practical related problem resolved by their lab faculties.

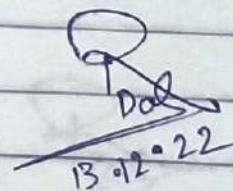

30.11.22

Proctor meeting was held on Dt. 13.12.22 in mechanical meeting would stand upon points like students,

- Academic Activities
- Any problem faced by them whether academic or residential.
- Doubt clearing classes of students.
- Semester Examination.

The following suggestions are made on the above points of discussion.

- Syllabus Completion monitored by HOD.
- All the attendance checked & verified respective faculties.
- Discussion made on type of questions & question patterns which may be appeared in the examination.

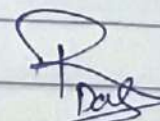

13.12.22

Proctor meeting was held on Dt. 23.12.22 in mechanical CAD/CAM lab & 14 nos. of students were present during the meeting. A brief discussion was made with the student on the following points;

- Coverage of Syllabus
- Class Attendance.
- Semester Examination (Practical & theory)
- Personal Issues.

The following suggestions are made on the above points of discussion.

- Daily progress register maintain by the faculty under the supervision of HOD.
- All the attendance checked & verified respective faculties.
